Sport & Fitness Ed: Using Curricular Models to Get Your Students Up and Moving			
Jenn Vedder is a career switcher who previously served in the US Army and during her service authored a book. She has taught at Saint Petersburg College (Florida) and the University of Mary (North Dakota). Jenn currently lives in Charlotte and serves as the Health & PE Specialist for Charlotte-Mecklenburg Schools, an OPEN National Trainer, and the Vice President for the North Carolina SHAPE. Jenn is also the 2020 Virginia APE Teacher of the Year. Jenn has presented at multiple levels and conferences across the country. Jenn has a unique Sport Ed model of teaching different levels of sports from K-Secondary as well as different fitness models to show how we can get all levels of students up and moving.
